Re: **Assignment and Declaration/Power of Attorney**
U.S. Patent Application No. 10/527,246
Title: VACCINES CONTAINING VIRUSES INVOLVED IN AVIAN
MALABSORPTION SYNDROME AND METHODS OF
ADMINISTRATION THEREFOR
Our Ref.: AHP 98246

Dear Jacob,

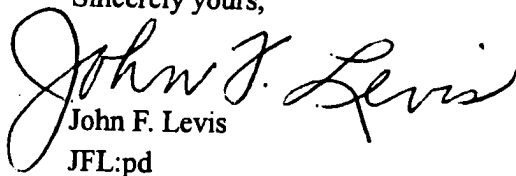

Enclosed for your files is a copy of the above-referenced, U.S. non-provisional patent application that was filed on March 9, 2005. You are named as co-inventor with **Frans Gerrit Davelaar and Mathieu Hubert Vertommen**.

Also included is an Assignment of Invention and a combined Declaration/Power of Attorney that are to be executed. Please sign and date the enclosed documents **in blue ink**. The Assignment must be signed in the presence of a Notary Public. For your convenience, a pre-paid DHL envelope is enclosed for the return of these executed documents. If there is any additional expense, kindly send us a receipt, and include our reference number above, and we will reimburse you for it.

Separate Assignments and Declarations/Powers of Attorney have been forwarded to **Frans Gerrit Davelaar and Mathieu Hubert Vertommen** for their signatures.

If you have any questions about the enclosures, please contact me. **Your immediate attention to this matter is greatly appreciated.**

Sincerely yours,

John F. Levis
